The Company made reference to the Hon'ble BIFR in August 2003 and had been declared sick under the provisions of SICA, 1985 vide order dated 17th May 2006. The company made efforts and settled the dues of all the Working Capital Banks and IDBI Financial Institution in the year 2007 through One-time-settlement of their dues.

The remaining two secured creditors, Asset Reconstruction Company ARCIL and Exim Bank of India) had initiated recovery action under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act (SARFAESI Act) 2002.

As the Secured Lenders ARCIL And Exim Bank have taken action under section 13(4) of SARFAESI Act 2002, the Hon'ble BIFR, pursuant to an application by the referred Secured Creditors, has ordered on 26.11.2007 to abate the reference filed under SICA Act.

The Company had been issued notice under section 13(4) of the SARFAESI Act for possession of Secured Assets, that include a part of land, building and complete machineries (except the machines charged to IDBI earlier) ,charged to the said Institutions. The Company had been appointed as Custodian of said Secured Assets with effect from July 11, 2007. The Company was allowed to continue the routine business operations on payment of Rs 25000 per month towards royalty charges. In April 2011 the Financial Institutions withdrew the custodianship from the company and took the physical possession of the factory.

ARCIL also filed a company petition under Section 433(1)(e) of the Company 's Act 1956 for winding up of the company, before the Hon'ble High Court of Madhya Pradesh at Indore Bench. The Secured Creditors have sealed the production facilities and have deployed their own security personal. Consequently there was no production and sales in the company.

The company also could not perform any trading activity as the Commercial Tax Department has cancelled the registration of the company due to the tax liability being unpaid. The Commercial tax

Department has also raised its claim on the fixed assets of the company to recover their dues. There is a dispute between Secured Creditors and the Commercial Tax Department regarding priority of charge on the fixed assets of the company and the matter is still unresolved.

This commission income helped the company to take care of all the expenses in the year. The management is continuously trying to have a settlement with the said two Secured Creditors so that the company can revive its operations in the future. Once the settlement is done, the company is also hopeful of reinstating of its commercial tax registration and start business operations.

Further as the company does not have any manufacturing activities, and also does not have any sales income, it faced severe hardship in complying with several statutory requirements like appointment of a Whole-time Company Secretary. The Company tried its best but considering the company's financial position, none of the candidates agreed to join the company. The company is still trying to comply with this requirement.

**JYOTI OVERSEAS LTD.**ANNEXURE "II" TO THE DIRECTORS' REPORTMANAGEMENT DISCUSSION AND ANALYSIS REPORTINDUSTRY STRUCTURE AND DEVELOPMENT

Jyoti Overseas Limited manufactures specialized cotton, polycotton, polyester viscose and other blends of fabrics. JOL has infrastructure to weave fabrics in the width ranging from 26 inches to 144 inches with weight upto 36 oz per square yards – (1200 gsm) in plain, drill, oxford, Marry, Bobby designs with high cover factor. The major users of JOL specialized fabrics are Art, Furnishing, Defense, Bags & Luggage, Apparel and Tarpaulin Industries.

Apart from fabric JOL also houses facility for value added products like Coated Artist Canvas, dyed and water proofed fabric which can give further impetus to the bottom line of the company. However, currently the physical possession of factory has been taken over by Secured Lenders.

OUTLOOK AND OPPORTUNITIES

With the One-time settlement reached with the working capital banks consortium and the Financial Institution, Industrial Development Bank of India Limited, the Company could reduce its debt burden to a major extent. The Company is also hopeful of reaching One-time settlement with remaining two Financial Institution ARCIL and EXIM Bank, and reduces its secured borrowings to NIL. The company would then try to pursue export trading as it has rich experience of more than 25 years of textiles exports market. Further, the company has also created niche for itself in developing value-added textile products which can be developed on job-work basis by different suppliers. This would have positive effect on bottom-line and would also give sufficient margin to repay old creditors who have kept faith in Company's management for long.

OUTLOOK ON THREAT, RISK AND CONCERNS

After the sale of secured assets by Secured Lenders ARCIL and EXIM Bank, the Company would not have any manufacturing facilities. The Company, for its trading business, would have to be dependent on several outside manufacturing units for its requirements. Consequently, the advantages of having own manufacturing set-up would not be available to the Company which might put some pressure on sales turnover and hence the margin also. Further, if the Secured Lenders do not accept the One-time settlement proposal submitted by the Company, and pursue for winding-up of the company then the company will have to be closed.

SEGMENTWISE PERFORMANCE

The Company is primarily engaged in manufacturing of Fabrics. As the basic nature of activities is governed by same risk and return, these have been grouped as a single segment, Textiles.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

As the company did not carry out any operations in this financial year, the company was not required to put into place

any formal internal control systems.

GOALS

The company is strategically placed to exploit the growth opportunities in the Industrial Textile segment. In view of its marketing expertise and broad-based and satisfied clientele all over the world, we will be looking for Global partners and strategic alliances in areas of mutual interest after financial restructuring is achieved by it.

CAUTIONARY STATEMENT

Statement in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be "Forward looking statements" within the meaning of applicable laws and regulations, actual results might differ substantially or materially from those expressed or implied.
